

Certificate

First Climate

With this certificate First Climate confirms that Lineagrafica Tipo-Offset SA

supported climate action with certified emissions
reductions or removals in the amount of:

340 t CO₂e

Lineagrafica Tipo-Offset SA has voluntarily purchased and retired carbon credits to fully offset
100% of its 2024 greenhouse-gas emissions across Scope 1, Scope 2 and Scope 3

The following verified climate protection project was supported:

Forest Protection and CO₂ Sequestration in Inner Mongolia, China

and the corresponding carbon credits
have been permanently retired from the market.

Bad Vilbel, July 2025

A stylized, handwritten signature in black ink.
